WHEREAS, the Governor is responsible for meeting the dangers to the state and people presented by emergencies and disasters;

WHEREAS, the Louisiana Homeland Security and Emergency Assistance and Disaster Act, La. WHEREAS, when the Governor determines that a disaster or emergency has occurred, or the threat thereof is imminent, La. R.S. 29:724(B) (l) empowers him to declare a state of emergency or disaster by executive order, which has the force and effect of law;

WHEREAS, La. R.S. 29:724 authorizes the Governor during a declared state of emergency to suspend the provisions of any state regulatory statute prescribing procedures for conducting state business, or the orders, rules, or regulations of any state agency, if strict compliance with the provision of any statute, order, rule, or regulation would in any way prevent, hinder, or delay necessary action in coping with the emergency;

WHEREAS, a declaration of emergency or disaster activates the state's emergency response and recovery program under the command of the director of the Governor's Office of Homeland Security and Emergency Preparedness ("GOHSEP");

WHEREAS, GOHSEP is responsible for determining the requirements of the state and its political subdivisions for food, clothing, and other necessities and supplies in a designated emergency area;

WHEREAS, the National Weather Service has issued cold weather advisories and extreme cold warnings for the State beginning Monday, January 20, 2025, and advised people to minimize time outdoors and prepare for power outages;

WHEREAS, the winter weather is expected to result in extreme cold temperatures, wind chills, and prolonged temperatures below freezing for much of the area;

WHEREAS, there is a risk of snow accumulation across the state beginning overnight Monday through Thursday morning;

WHEREAS beginning Sunday, cold air will move in with high temperatures in the upper 30s and wind chill will drop below 20 degrees;

WHEREAS, this winter event could result in significant damage to unprotected pipes as well as citrus and agricultural crops;

WHEREAS, this winter event will lead to major or extreme impacts on roadways making travel practically impossible;

WHEREAS, all sixty-four (64) parishes are anticipated to issue emergency declarations;

WHEREAS, parishes state-wide may require assistance from the State of Louisiana to provide resources to protect the life, safety, and welfare of the citizens of Louisiana;

WHEREAS, this is expected to be a prolonged winter event lasting through Thursday;

WHEREAS, the State of Louisiana recognizes the need for direct state assistance to supplemental and support operational measures at the parish level, enabling more effective coordination, deployment of resources, and provision of essential services to mitigate the ongoing effects of the event;

NOW THEREFORE, I, JEFF LANDRY, Governor of the State of Louisiana, by virtue of the authority vested by the Constitution and laws of the State of Louisiana, order and direct as follows:

Section 1: Pursuant to the Louisiana Homeland Security and Emergency Assistance and Disaster Act, R.S. 29:721, *et seq.*, a state of emergency is hereby declared to exist as a result

of the emergency conditions that currently threaten the lives, safety, and property of the citizens in Louisiana.

Section 2: Pursuant to R.S. 29:724 (A) (3) the designated emergency area, which is or may be affected shall include the entire State of Louisiana.

Section 3: The Director of the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) is hereby authorized to undertake any activity authorized by law that he deems appropriate in response to this declaration.

Section 4: Pursuant to R.S. 29:732, during a declared state of emergency, the prices charged or value received for goods and services sold within the designated emergency area may not exceed the prices ordinarily charged for comparable goods and services in the same market area at or immediately before the time of the state of emergency, unless the price by the seller is attributable to fluctuations in applicable commodity markets, fluctuations in applicable regional or national market trends, or to reasonable expenses and charges and attendant business risk incurred in procuring or selling the goods or services during the state of emergency.

Section 5: Pursuant to R.S. 29:724(D)(l), the Louisiana Procurement Code (R.S. 39:1551, *et seq.*) and Louisiana Public Bid Law (R.S. 38:2211, *et seq.*) and their corresponding rules and regulations are hereby suspended for the purpose of the procurement of any good or services necessary to respond to this emergency, including emergency contracts, cooperative endeavor agreements, and any other emergency amendments to existing contracts.

Section 6: All departments, commissions, boards, agencies and officers of the State, or any political subdivision thereof, are authorized and directed to cooperate in actions the State may take in response to this event.

Section 7: This Order is effective upon signature and shall remain in effect from Saturday, January 18, 2025 until Monday, February 17, 2025, unless amended, modified, terminated, or rescinded earlier by the Governor, or terminated by operation of law.

IN WITNESS WHEREOF, I have set my hand
officially and caused to be affixed the Great Seal of
Louisiana in the City of Baton Rouge, on this 18th
day of January 2025.
